Revitalizing our human connection to Sky & Earth through art.
ANNEtte S. LEE

AS IT IS ABOVE; IT IS BELOW
Come learn about Ojibwe sky knowledge, observe Sun & Moon, Adler with telescopes, and make a star map painting of your own with Annette S. Lee.

Duluth Art Institute, Duluth, MN
Stearns History Museum, St. Cloud, MN
Mille Lacs Indian Museum, Onamia, MN
SEEING THE UNSEEN - OJIBWE X-RAY PAINTINGS

Come learn about Ojibwe star knowledge, observe Sun & Moon early with telescopes, and make an Ojibwe X-ray painting of your own with William Wilson.
CARVING YOUR ANIMAL CLAN
Come learn about or share your knowledge about Ojibwe clans, how it relates to the Ojibwe story, the geology under our feet, and make an animal stone carving of your own with Jeff Tibbetts.
BE HUMBLE, FOR YOU ARE MADE OF EARTH
Come learn about the geology behind the clay in our state, the indigenous pottery of Minnesota, and build a pot of your own with Anne Meyer from local clay.
NATIVE SKYWATCHERS - EARTH SKY CONNECTIONS

Community art programming that weaves together art, science and culture in a way that inspires learners to create art that tells the story of their connection to earth and sky.

NATIVE SKYWATCHERS - EARTH SKY CONNECTIONS

Twelve workshops/classes, led by four native/mixed-race native artists. Eight community partners: Duluth Art Institute, Stearns History Museum, Mille Lacs Indian Museum, Fond du Lac Ojibwe School, Fond du Lac Tribe, Kennedy Elementary School, Onamia School, and Great River Regional Library.
Miigwech, Pidamaya, Thank You.

NATIVE SKYWATCHERS - EARTH SKY CONNECTIONS
Annette S. Lee, William Wilson, Jeff Tibbetts, Anne Meyer

FUNDDED BY THE MN STATE ARTS BOARD ARTS LEARNING GRANT, FY2014-2015
These workshops & classes were made possible in part by the voters of Minnesota through a grant from the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund.
